(Private Lessons not included)

Your fees are capped at \$65/week

## Family Discounts

Another way we like to try and make classes affordable for families is to offer the 3rd and subsequent children in one family to dance at a discounted rate of 50%. So for any family at the Studio you only ever pay full class fees for your first two children. The rest of the children have their class fees discounted.

*Please note, this does not include costume or registration fees.*

## Costume Deposit Fund

At The Studio Entertainment Academy we run a costume deposit fund. This is to help ease the financial burden at the end of the year. We try to keep costume costs to a minimum and know that our parents appreciate that. This cost includes: measuring your child, materials, dress making, shipping, accessories, hair accessories, props and costume bags. Students will get to keep the purchased costumes, however this does not include the props or extra pieces purchased by the Studio for you to borrow for the performance.

Pre-Kindy & Tiny Tots classes: will consist of \$20 instalments per child, per class, per term  
(3 terms - total \$60/costume)

All other classes: will consist of \$30 instalments per child, per class (style), per term  
(3 terms - total \$90/costume)

***Please note: If you leave or decide not to perform in the concert (before the costumes are ordered), the deposited amount can be refunded. If you decide to leave after costumes have been ordered you will not be able to receive a refund. The Studio Entertainment Academy is not liable to give a refund if your dancer breaks the costume before concert time. If we have to replace the costume due to breakage, you will be liable to pay extra costs such as shipping for the replacement, new costume or repair costs.***
